

Mobile Crane Apprenticeship Training Grant Policy

The Operating Engineers Local 955 Apprenticeship and Education Program recognizes the importance of supporting members in advancing their skills and progressing in their apprenticeship. Members in good standing who successfully complete their Mobile Crane Apprenticeship Training through an Apprenticeship and Industry Training (AIT) accredited provider are eligible to receive a fixed grant amount. This grant is intended to assist members in their educational development and career advancement.

Eligibility Criteria

To qualify for the Mobile Crane Apprenticeship Training Grant, applicants must:

- Be a member in good standing with Operating Engineers Local 955.
- Successfully complete Mobile Crane Apprenticeship Training through an AIT-accredited training provider.
- Submit all required supporting documents listed.
- Have not previously received a grant for the same level of Mobile Crane training.

Grant Amount

Eligible members will receive a fixed grant of \$1,015.00 upon successful completion of approved training.

- The amount is not dependent on the cost of the course.
- Only one grant is issued per completed Mobile Crane Apprenticeship Training level.

Required Supporting Documentation

Applicants must submit the following documents to receive the grant:

- Government-issued completion letter
- Detailed invoice from the AIT-accredited training provider
- Payment receipt showing proof of course payment
- Direct deposit form or void cheque for payment processing
